On Tuesday this week, Tommy Dunavant was recognized for his forty-year career at the Covington Fire Department. Starting as a volunteer fireman and working his way up to Captain, Dunavant also served as Interim Chief. His official retirement was several months ago, but because of COVID he chose to delay any official recognition ceremony. He was presented a resolution by the City and with a commemorative firearm purchased by the individual members of his shift. Also a longtime Tipton County Commissioner, Captain Dunavant will now continue his role in public service as full-time Director of the Covington-Tipton County Emergency Management Agency. We congratulate you, sir and look forward to continuing collaboration with you to further improve our overall safety and protection!

support local.

Once again this Christmas season, Hometown Flowers and Gifts is accepting food, money, and pet supplies for our valued friends at CARE Covington Animal Rescue. CARE is such a wonderful partner with the City of Covington, working with those dogs our animal control officers rescue, to provide forever homes to these four-legged friends. But CARE, like other non-profit agencies, depend on the generosity of YOU to make sure they can continue to provide needed services. Be sure and stop by Hometown Flowers with your gift now through Dec. 31.
