### MANDATORY MASKS IN TIPTON COUNTY

Tipton County Executive Jeff Huffman has announced, per the authority granted to county mayors by Gov. Bill Lee, a mask mandate for Tipton County that began on August 4th and will continue through 11:59 pm Wednesday, September 30th. To read the complete order, [CLICK HERE](#).

### *Masks Required at Tipton County Schools*

After discussions with County Executive Jeff Huffman as well as updated recommendations from the Health Department, LeBonheur, and the UT HSC, Tipton County Board of Education agrees that a mandatory mask requirement is the appropriate next step to slow the spread of COVID-19. Our hope is that the mask requirement and other safety protocols such as social distancing will help keep schools open for learning.

The Tennessee Pledge was developed by Governor Lee, the Unified Command Group (UCG) and Tennessee's Economic Recovery Group (ERG) with input from health experts, state and local partners and business and industry leaders. It includes specific recommendations which enable most businesses to reopen responsibly without the burden of heavy mandates. This will be a gradual process, with room to adjust as data is evaluated. For links to all of Governor Lee's guidelines, please visit our website at [www.covingtontn.com](http://www.covingtontn.com).

On Wednesday, Mayor Hanson presented Marianne Dunavant, Director of Victim's Outreach for Marcy's Law for TN a proclamation recognizing Domestic Violence Awareness Month.

According to Tennessee Bureau of Investigation, there were over 73,000 domestic related offenses reported in 2018. Almost 50,000 of those were reported as simple assault. Domestic Violence affects millions of people across the country and crosses all lines of gender, race, religion, culture, and economic status.

*October is recognized as Domestic Violence Awareness Month. If you are struggling in a domestic violence situation, help is available. Call 1-800-799-7233 to speak to someone.*
